will be held in the Lecture Room,
Worksop Public Library, Memorial Road, Worksop. Commence 8.0.pm.
on FRIDAY WEEK, FEB. 23rd. 1962.

Following the successful launching of the Club boats on the Canal last Sunday, attended by over 500 people, and which was organised by the Provisional Committee, the purpose of this meeting is to invite all interested members of the public to attend, whether boat owners at present, or not. Members will be enrolled, officers will be elected (the provisional committee will resign and individual members will offer themselves for re-election.) A constitution will be drafted, and a programme organised.

The Committee will also be pleased to hear any helpful suggestions for the betterment of the Club, the Chesterfield Canal, and Inland Waterways in general.

PETER N. FOX.
